

UNI'S WORLD - HOUSE RULES

By participating in the services of Uni's World you are simultaneously and fully accepting our house rules!

The House Rules have been assembled in order to facilitate a pleasant and safe time for our guests at Uni's World; we ask you to acknowledge and adhere to the rules!

1. Uni's World can only be accessed during opening hours, in the presence of an animator.
2. Children may only stay at Uni's World under the supervision of a **parent / relative**. **Exempted are those parents who have purchased the "children supervision" service. The „children supervision" service is available during the peak season of summer and winter.** Only people **above the age of 18** may accompany the children. In case the child requires continuous parental supervision because of their mental or physical condition, then they may only access the services of Uni's World under parental supervision.
3. In order to protect the health of all of us, **only absolutely healthy** children may participate in the service of Uni's World.
4. You may **only wear socks** at Uni's World.
5. Our animators shall provide instructions on the **usage of games**; following these instructions are mandatory.
6. The games may only be used **under one's own responsibility**, as per its intended function, **at the premises of the playhouse**. Please take extra care of the **toys and games**. For any damages done to the equipment or for any missing equipment, the person responsible for it **must reimburse the damages**. The amount to be reimbursed is equal to the market price of the object that has been damaged.
7. Non-adherence to the rules, or **unacceptable behaviour** (roughness, fights, arguments, endangering) shall result in being **expelled** from Uni's World. The animator is entitled to issue warnings.
8. **Consuming food or drinks** at Uni's World is **prohibited!**
9. **Strollers**, bikes and bicycles (etc.) may be left at the middle hall of the Page Training Centre. Taking them to the Southern Hall is **prohibited!** Storing coats, umbrellas and backpacks may also be done at the middle hall of the Page Training Centre.
10. We do not take responsibility for **personal belongings** taken into and left at Uni's World.

11. Partaking in the announced programmes of Uni's World (handicrafts activity, search game, etc.) is only available during the given times.
12. Recommended age is **0-10**.

BABY CORNER - HOUSE RULES

1. The Baby Corner is only accessible for children between the **ages of 0-2** and exclusively **under the supervision of a parent / relative**. Only people **above the age of 18** may accompany the children.
2. Please only use the toys found at the Baby Corner **on location**; **taking them out** from the Baby Corner is **prohibited!**
3. For the babies' sake please **take pay extra attention to cleanliness and hygiene!**
4. There is a possibility for changing the diapers and for breastfeeding outside of the playhouse. We appreciate your understanding.

RULES OF CHILD SUPERVISION

1. We are only able to secure the "child supervision" service against payment, during the peak season of summer and winter, on the days indicated in the programme brochure. Maximum number of people: 10 persons.
2. We only take on children between the **ages of 3-10, who are** capable of using the toilet.
3. In case the child requires **continuous parental supervision because of their mental or physical condition**, then we are not able to secure the "child supervision" service.
